

villa winter update

June 2020

All aboard!

A word from

Matt Walker

Now that travel restrictions have eased, Villa Carlotta's travel office has been busy taking bookings for tours departing over the next few months, and indeed into the new year.

The last few months have certainly been an interesting time for all of us, and it's pleasing to see that our state is now taking steps towards some semblance of normality.

Throughout the COVID-19 crisis, Villa Carlotta Travel has continued to act on Government advice to protect the safety and wellbeing of our passengers and staff.

Although we temporarily ceased operating tours in late March, we have kept our office open and have continued to communicate with our passengers via phone, email and social media, which has been fun.

It's been heartening that most of our passengers have simply postponed their travel arrangements rather than cancelling, and we are very pleased by the volume of new bookings from people who are keen to travel in the future.

We are excited to resume touring once again on 22 June with a short break to the South West, which will support many fellow local businesses that rely on tourism.

People have been taking advantage of our more flexible booking arrangements as we wait for travel restrictions to ease further. Options for expressions of interest and our revised cancellation protection plan for WA tours have been very well received.

We are looking forward to running Christmas in July tours, as well as outback adventures and wildflower expeditions in the coming months.

Tours will operate with less passengers to facilitate physical distancing, coaches will be more regularly cleaned with disinfectant and passengers will be required to complete and sign a self-certification questionnaire stating they do not have any cold or flu symptoms prior to boarding our coaches.

Please don't hesitate to contact us on 1800 066 272 to discuss your next holiday, or ask us for further information about our COVID-19 Safety Guidelines.

Sincere thanks for your support!
